

Dear Friend of Marian Manor:

Marian Manor in Taunton, a member of the Diocesan Health Facilities system of elder care services and programs, provides residents and their loved ones with compassionate and comprehensive short term, rehabilitative, respite, long term and end of life care.

Marian Manor is pleased to introduce their Special Care Room, where residents can enjoy a large, private room with accommodations and conveniences to make their stay more homelike during in-patient hospice services. This room is also ideal for short-term rehabilitative care services, or respite care that offers caregivers a much-needed rest.

The room offers a full private bath, with furnishings, colors, decorative accents and lighting that are specially designed to create a calm, relaxed atmosphere and a serene setting. There is also a sitting area for enjoying television, movies, music or quiet relaxation. Should a loved one wish to stay overnight with the resident, a roll a way bed is available for use in the special care room.

The Special Care Room is an ideal setting for when complicating factors make staying at home no longer possible. Please contact Marian Manor at 508-822-4885 to learn more.
