New Bedford, MA:

The Department of Public Health, Division of Health Care Quality completed a survey of Sacred Heart Home, 359 Summer Street, New Bedford, on November 9, 2011 and found the facility to be in complete compliance with all requirements for certification in the Medicare and / or Medicaid Programs.

Also, on November 23, 2011, the Department of Public Health, Division of Health Care Quality completed the Life Safety Code portion of the recertification survey of the facility and found them to be in compliance with all requirements for certification.

Sacred Heart Home provides long-term and palliative care, as well as short-term rehab therapies needed after surgery or an illness, with the goal of returning individuals to their homes.

Sacred Heart Home is one of five skilled nursing and rehabilitation centers that make up the Diocesan Health Facilities system of care, sponsored by the Roman Catholic Diocese of Fall River.
